

The Enjoy Learning Center

Wanted

Tutors for pre K-4 through college students needed.

Areas include math, reading, science, and writing.

College degree required.

Pre K-4 through 6th grade tutors must have current teacher certification.

Experts and highly skilled math, science, and English tutors might not need certification if they have documented proof of expert or highly skilled abilities.

Candidates must have excellent oral communication skills. Professional references and documentation of expertise, certification and/or highly skilled abilities are required.

Positions are open until filled.

-
- Supportive, relaxed work environment
 - \$12 to \$15+/ hour (degrees, experience)
 - Established (7th year), Better Business Bureau accreditation
 - Experience preferred but not required
 - Flexible work hours (Open Monday through Saturday)
 - Great need-Reading, Geometry, Algebra, Pre-Calculus & Chemistry
 - Real One-On-One tutoring-Never multiple students
 - Afternoon, evening, weekend hours available

Our ONE-ON-ONE work environment allows you to develop new teaching methods and improve your existing techniques.

Use your talent as a tutor to help students catch up or get ahead and be successful.

Serious inquiries only.
